Making Your Life-Changing Gift

About Birchway Niagara

Birchway Niagara owes its existence to the work of members of our community who saw a need to support women and children experiencing domestic violence. It was through their hard work that two women's shelters opened in Welland and Niagara Falls in the early 1980s. In 1997, the two sites both became part of the same organization and Serenity Place (Welland) and Nova House (Niagara Falls) together became known as "Women's Place of South Niagara Inc."

In 2022 significant changes were made to domestic violence services in South Niagara. Serenity Place closed and a new satellite office opened in Welland to continue domestic violence support in this community. To meet the increasing need for domestic violence services, the doors opened on a newly expanded shelter in Niagara Falls, increasing the total safe beds operated by Women's Place from 30 to 40.

Change continued in 2023 when Women's Place changed its name to Birchway Niagara. While the core of Birchway's services continue to protect and empower women and children impacted by abuse, the new inclusive name represents a growing understanding that abuse is an issue that impacts everyone. It is also a problem that must be solved by everyone. As Birchway evolves and grows, we will work toward addressing the root causes of abuse, engaging members of our community regardless of their race, age, gender, sexuality or economic status.

We will be a shoulder to lean on, a voice to advocate for, a space to feel safe in, an ally to trust, a guide to navigate, and a counsellor to heal for everyone affected by all forms of abuse.

About Book Riot

The Birchway Book Riot is a much-anticipated event that attracts over 5000 shoppers to the Gale Centre each year. One of Canada's biggest and best used book sales, this event promotes literacy and raises tens of thousands of dollars to support critical domestic violence services in South Niagara.

The Book Riot began as a much smaller event as in 1981, when an organization called Niagara Women in Crisis was raising funds to help create a "transition house" in Niagara Falls, which would eventually open its doors on Thorold Stone Rd near Five Corners.

Over the past 43 years, while the name has changed few times, the annual sale has continued to grow, as has the need for domestic violence services. Book lovers excitedly mark the event on their calendars each year, some travelling great distances to attend!

Last year's sale, which featured over 100,000 books, puzzles, games DVDs, CDs, and raised over \$116,000 to support women and children experiencing violence in our community.

Will you be an ally against abuse and help Birchway Niagara to raise over \$116,000 as a sponsor at this year's sale?
