

Holiday Gift & Toy Drive

Every year, Birchway Niagara strives to better the lives of women and children experiencing abuse in our community with compassionate care, shelter, safety, and life-saving services.

Different circumstances prevent parents from being able to provide a gift for their children for the holidays or for special celebrations like birthdays. While we will update this list each year, the following list can provide some suggestions to help make the holidays brighter for the women and children who are being supported by Birchway Niagara.
