

# Holiday Gift & Toy Drive

Birchway Niagara strives to better the lives of women and children experiencing abuse in our community with compassionate care, shelter, safety, and life-saving services.

Every year, different circumstances prevent parents from being able to provide a gift for their children for the holidays. Right now, and **until December 13, 2024**, Birchway Niagara is collecting new clothing, toys and gift certificates for the hundreds of women and children that are in need this holiday season and **we need your help!**
